

Dear Coaches,

We are running a Safeguarding and Protecting Children workshop on Thursday 28th January 2016 at Sleaford and District Indoor Bowls Club from 18:30 – 21:30. The closing date for bookings is 20/01/2016, so don't miss out! Please follow [this](#) link to secure your place on the workshop.

Every child deserves to enjoy their sport. This workshop will raise your awareness of the tell-tale signs of abuse, and give you the tools and confidence you need to deal with any issues sensitively, appropriately and effectively should the need ever arise in your coaching career. This course is often essential for all new and existing coaches and offers an excellent environment for discussion and learning. Though the course is for newcomers to Safeguarding and Protecting Children, this course can be used as a refresher for previous participants, however we do run Safeguarding and Protecting Children 2: Reflecting on good practice as a specific follow up for participants who have taken SPC 1 before. Contact coaching@lincolnshiresport.com for further details on which workshop is right for you. Newly updated to address the impact of the Protection of Freedoms Act 2012.

This courses is for all coaches/instructors/leaders and volunteers who run or lead sessions with under 18s or vulnerable adults.
