The C.M. opened the meeting and the Sec was called upon to read the minutes. A motion from the collected the Sec on the point of coaching which was omitted from the minutes the Sec then corrected this and the minutes were passed as read.

The chairman also remarked on how well the K.O. competitions had gone and ~~was~~ what a success the dinner had been even tho was a bit short.

The Treasurer was then asked to give a few details on the Lge's bank account. She explained that as

the Lge treasurer was only asked to produce a balance sheet at the AGM she could only produce approx figures. She commented that the balance had been Sowerley hit by the Trophies and dinner but still stood reasonably healthy. Then followed a discussion on the engraving of Trophies and the general opinion was that the Lge could not at the moment afford to engrave them themselves.

The Sec was then asked if he had received any further news on the coaching Scheme, he said he had not and it was agreed to write again if so reply had been received within the following week.

A sub-committee was to be formed to organise the printing and design of the Lge's Annual Handbook and the

Sec was given a number of address
to write to concerning advertising space.

It was decided to hold the
annual General meeting at the Springfield
Arms on June 7th or 8th. Subject to
availability of room. The Sec would
design an appropriate advert to put in the
Grantham Journal announcing this.

The meeting then closed at
9.0 pm.
