3. CHAIRMANS REPORT

The chairman introduced Mr P. Heath the Lincolnshire development officer to our AGM and thanked him for his attendance.

Paul Cameron informed the meeting he thought the season had a few good points with the league running well apart from the C division that had lost teams and the successes of individuals improving their game. The season also had its down side with the obvious lack of helpers when the league needed them. Paul issued a thankyou to the hardcore of people who continue to do their best for the league.

4. TREASURERS REPORT

Maureen Simon issued the meeting with a statement of accounts for the previous season. A brief resume then followed pointing out the relevant incomes and expenditures. Questions and answers then followed.

It was noted that the meeting would prefer the accounts to be split up under better headings to make them more self explanatory. The Treasurers report was accepted on the the proposal by I McDonald and seconded by M.Simms.

Q. ANY OTHER BUSINESS

Due to the importance surrounding the continued use of the centre the only item covered was the centre.

Malcolm Simms read out a letter received from the council which showed the committment that SKDC has to table tennis and its future in Grantham.

What the letter spells out for the league is that Development in the game has GOT to happen and that if we cannot show them results from our development then the league will cease to be able to have the centre at the times and the rates that it currently enjoys. Following a discussion, the meeting accepted in principle the content of the letter and on a proposal by T. Tresadern seconded by V. Dixon and passed by the meeting we are going to offer to the council a figure of £7,500 for the use of the centre for the year. This proposal will be given to the council at meeting in the near future.
