

ENGLISH TABLE TENNIS ASSOCIATION Limited
LONDON 2012

Queensbury House, 4th Floor,
Havelock Road, Hastings,
East Sussex, TN34 1HF

12th November 2010

To: Staff, Management Committee, National Councillors, President, Honorary Life Members, Vice Presidents, Committee Chairmen, League Representative Company Members, Regional Committee Chairmen, Regional Coaching Coordinators, County Association, Local League and DAC General Secretaries.

The London 2012 ticketing arrangements have been announced including prices for the table tennis competition. I urge you to log into the London 2012 Ticketing site and register if you want tickets, which will go on sale in March 2011 to the general public. It is expected that requests will exceed tickets available albeit 75% of all tickets fall into this area.

All National Governing Bodies (NGBs) which, in our sport's case is the British Table Tennis Federation and hence covers all the Home Countries, have put in a request via the British Olympic Association (BOA) for an allocation to assist some Staff and some of its volunteers.

This request will not enable all those circulated in this letter to be allocated tickets which, in any case, would only be for two tickets in most cases, covering a day's table tennis competition. Confirmation from the BOA on our request would not be available until late February.

Below are details of the table tennis days and sessions including the relevant ticket prices which are per session and we feel that our strategy should be allocating tickets per day covering all sessions.

LONDON 2012

I do understand this is not until 2012 but tickets for table tennis and most other events will be taken up either by this route or the Public Draw and this is a potential opportunity to go to the Greatest Show on Earth in 2012, it is not just about watching our sport but taking up the atmosphere of the Olympic event in our host country.

I hope this gives you some background on this matter and will again ask you to register online for tickets as a matter of course, Both Val and I have done so.

Regards

Alex Murdoch
